

Fighting Fake News with Facts!

DOUBLE FEATURE

An Alternative Workshop to Promote Critical Thinking!

Lynne Oakvik, Curriculum Supervisor, Library Media

Neena Grosvenor, Staff Developer, Library Media

Seasons of Learning Secondary ELA

June 2017

Help your students survive the invasion of “Fake News.” Learn how to use web resources like opensecrets.org and snopes.com to help students separate fact from fiction and become informed, empowered citizens. Discover District resources and innovative strategies to support critical thinking skills that will help students analyze and evaluate information effectively in today’s digital landscape.
