

Literacy through Debate (full day)

In this training you will learn how to bring the literacy standards alive by using debate, discourse, and structured argumentation to develop literacy skills in your students.

Through DEBATE students will put the Florida Reading Standards into practice by:

- Examining the Key Ideas and Details of a piece of writing through research. (LAFS.K12.R.1)
- Integrate the Knowledge and Ideas they find in their research into their own arguments. (LAFS.K12.R.3)
- Independently read and comprehend informational text to support their arguments. (LAFS.K12.R.4)
